BENEFITS FOR PARTICIPANTS

Participants report that Lifefair makes them more effective. According to surveys conducted at the Swiss Green Economy Symposium 2018 – 2021, 87% of participants expanded their horizons and 79% learned something new. At each event, every participant on average grows their network by 9 people, strengthens six business relationships, comes up with four new ideas and meets new implementation partners.

BENEFITS FOR PARTNERS

Lifefair partners report the following benefits: 'Lifefair makes us more productive', 'agenda setting', 'an excellent testing environment for positioning, products and visions', 'stimulation of new business', and many more.

Get involved: whether as a partner, a speaker, a member of the organising body or by participating in an event. We look forward to meeting you!

THE LIFEFAIR UNIVERSE

Lifefair unites decision-makers, implementers and innovators at around 20 events each year and helps them to achieve their sustainability goals. Participants at the events benefit from opportunities to learn new things and make new connections, exposure to different perspectives, inspiration to think outside the box, ideas for real innovation and new business opportunities.

LIFEFAIR.ORG

lifefair.org is Switzerland's most comprehensive dialogue and innovation platform for business and sustainability and is also gaining an increasing international reputation. lifefair.org is the organising body of the Lifefair Forum and the Swiss Green Economy Symposium.
